Be One of Our All Stars

Did anyone watch the major league baseball All Star game this past Tuesday? How was your favorite All Star? You might have been more focused upon the women's World Cup and our all star-studded team. Who was your favorite All Star on that team?

Both sports show how the majority of focus and attention is on a few, "All Stars." They get the praise and the press clippings. Yet both baseball and soccer are team sports. Without the team, the "All Stars" would never achieve stardom. Even in sports like tennis and golf, the "All Stars" of those sports have teams of support behind them. <u>Any parents here? There's a team behind your kids'</u> "All Star" trophies.

A team is only as strong as its weakest link. Behind every great team and player is a host of support. Here at YOUR CHURCH NAME we exist, VISION STATEMENT. We could never do that without you. Without the time given by the scores of volunteers, none of this would be possible.

The same is true about how we fund all of our missions and ministry initiatives. Without the faithful giving of *all* of us, we could not do what we do. Every time you give here you establish yourself as one of our All Stars! So, thanks for your generosity and welcome to the team that is making a difference for eternity.
