

Fun and Easy

When it comes to giving at OUR CHURCH our desire is to make it fun and easy. That might sound crazy or impossible but let me explain.

We want it to be fun to give here. How can giving your hard earned money be fun? When you see the amazing things we do with the generous gifts our people give us we believe giving becomes fun. So let me just share some things that have been happening around here.

List two to three missions and ministry impacts you have done already or will soon do. It might be...

- VBS
- Student Camp

Your gifts in our offerings made all that possible. Seeing lives changed and impacted makes giving fun!

We also make it easy for you to give here at OUR CHURCH. List all the ways that people can give either online, by direct mail or by the offering you are about to take up.

Whatever way works best for you to give we want you to know we greatly appreciate your gift AND that your gift does make a difference!
