

We Want to Say Thank You – July 7th

Are you having a good summer? Has anyone already been on vacation? How many of you wish you were on vacation? Do you remember when you were a kid and had the whole summer off from school? Now that is a vacation! Alas, we now must work so that our kids can sleep in!

Summer is a busy time for us here at OUR CHURCH. We have tons going on. Let me list a few things...**Share stats of various ministries and missions you have going on.**

And we are not done yet! We have a ton more coming up. Each is about helping connect people to a life-changing experience with Christ. We could not do any of this without you! Thousands of hours each week are donated in service by people like you. From greeting people at the door to wiping babies' bottoms, YOU make this church what it is! Thank you for your service! Let's give all our volunteers a hand!

We depend on volunteers giving their time, but those missions and ministry initiatives take money. Your generosity makes this happen. You generously give your money to fuel what we do. So, before we take up the offering, I want to thank you! Thank you for investing in the lives of children. Thank you for investing in the lives of students. Thank you for investing in missions here in our town and worldwide. Thank you! Thank you! Thank you! **Your generosity is changing lives forever!**
