

Who Are you Endorsing?

How many of you are tired of the election process already? If we had a dollar for every political ad we have seen we would not have to pass the offering plate today! Whether you are a Democrat, Republican or an Independent I think we would all have to agree that this has been one crazy campaign cycle. The bad news is it is 254 days until the presidential election of November 8th! That is depressing!

One thing I think everyone is agreeing on, is that Americans are fed up. We have grown skeptical of everyone's platform. We are tired of talk. We are tired of the gridlock. We are tired of things not getting done. Where we don't agree is who is to blame and who is best suited to fix the mess we are in. You can relax I am not about to try and settle that for you.

I am going to tell you who and what we endorse here at OUR CHURCH. We endorse Jesus Christ and believe in His platform to change the world. All the governments combined in all of history have failed to do what Christ's Church has accomplished. I love our country but our government cannot fix what is wrong with our country. Only the saving message of Jesus can. Our mission is, **STATE YOUR CHURCH'S MISSION STATEMENT.**

Every time you give here you help us fulfill that mission. While we encourage our members to be involved in the political process and to vote we know that only Jesus can change hearts. We are blessed with a great government but only the Church can truly meet the needs of our society. This is one of the reasons we never apologize for taking up a weekly offering. We are focused on making our world better, one disciple at a time. Your gifts help us accomplish this. So let's put in a vote for Jesus today with a generous gift to the offering!
